

Urban Issues WG
6/22/2009 Meeting Notes

Wingwatchers: Lake Ewauna shoreline erosion is still a priority. They would like to get some work done.

Ken Hay: Oregon Marine Board \$ could be sought to assist with projects on Lake Ewauna but then motorized boats would be on the lake.

Other points:

- Funding sources for projects are becoming more limited.
- Potential projects should be prioritized.
- Ribbon cutting for Putnam Landing is upcoming- stay posted.
- Oregon State Marine Board funding for 3 kiosks has been awarded. Room is available on the back of them that the UI group can use.
- The boy scouts are also interested in building kiosks.

Jim Carpenter:

- WingWatchers is working to relocate their Lake Ewauna trail head.
- Phase1 of the wetland restoration @ the South Portal is moving forward.
- Efforts are on going to develop a free fishing day in Klamath Falls. Potential locations include the ODOT pond and the wetland area being developed at the South Portal.

KWP submitted an application to the county for \$5,000 and, and, and..... ☺

Susan Honea: Ad update. 30 second ad will be developed. Photos are needed showing water conservation, litter control, and chemical/ pesticide use.
